We're excited to announce the return of our **Mazomanie Night Markets**, and we'd love for you to be a part of it!

The night markets have quickly become a favorite community event, drawing hundreds of people for evenings filled with live music, food trucks, artisan vendors, and family-friendly fun. These markets not only support our downtown businesses and makers but also create a vibrant space for neighbors to connect.

To make these events as impactful and successful as possible, we're seeking sponsorships and donations from local businesses and community supporters like you. Your contribution helps cover essential costs such as insurance, live entertainment, event logistics, marketing, and vendor support. In return, we'll make sure your business receives the visibility it deserves through promotional materials, social media shoutouts, signage at the event, and more!

Below are this year's market details:

- **Dates:** June 18, July 16, August 20, and September 17
- **Time:** 5:00 – 8:00 PM
- **Location:** Downtown Mazomanie (Brodhead Street)
- **Other Activities:** Live music, food trucks, open downtown businesses

Any amount is appreciated - you can **donate online** by following this link:
